

AI-translated Ukrainian subtitle service for live video streaming

NHK WORLD-JAPAN began providing Ukrainian subtitles for its live video streaming on March 2, 2022. The translations are generated by artificial intelligence technology.

Ukrainian subtitling is available for the 24-hour English programming streamed on our website.
https://www.nhk.or.jp/nhkworld/uk/live_cc/

NHK WORLD-JAPAN delivers news every hour on the hour.

AI-translated languages
