### Grammar Tips

1. **NAI-form verb**?

   ✷ If you say the NAI-form of a verb with a rising intonation, you are inviting someone to do something in a casual way.

   e.g.) ISSHO NI EIGA O MINAI ? (Won’t you see a movie with me?)

   The polite way to say it is: NAI-form of MIMASU (to see)

   ISSHO NI EIGA O MIMASEN KA. (Why don’t we see a movie together?)

   See lesson 13

2. **Days of the month**
